WASHINGTON, DC 20510

June 30, 2017

The Honorable Rick Snyder  
Governor, State of Michigan  
Lansing, MI 48909

Dear Governor Snyder,

In the wake of the severe flooding that occurred in late June in Midland, Isabella, Gladwin, and Bay counties and the surrounding area, we want to support the recovery efforts.

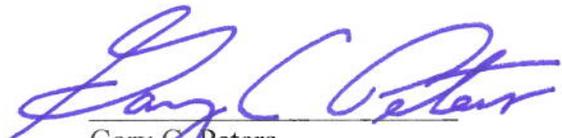

We understand the State of Michigan and local communities are currently conducting assessments in the impacted areas. Our offices have been communicating with local officials as they work with you and your team to assess the impacts on individuals and property and tackle the immediate needs of the communities affected by the flooding. Should your assessments on the damages and necessary resources for recovery extend beyond the capacity of the State and local governments, we stand ready to support you and assist in efforts to seek federal assistance.

We remain committed to doing everything we can at the federal level to support the families, farmers, and businesses affected by this disaster. Please reach out to our offices if we may be of assistance.

Sincerely,

Debbie Stabenow  
United States Senator
